1. The thing that thou hast desired of Me, requested of Me, that which you have come before Me and asked for; yea, asked about; yea, so simple, complex not. So often not Me, not My style, not My request and yet, yea, My forewarn comes and asks in many ways hence, whence and wherefore, seeking Me; and direction of Me, wanting to hear My voice.

2. I love you and I give you Me. **I give you many whences, hence, wherefores and therefores and reveal many secrets, for all secrets are now revealed.** Yea, I reveal them in My who come to Me, who give Me honor, and let Me write their name, My new name for them, with My name on their forehead.

3. Yea, unashamedly, provocationally not, provoking no; yea, submitted, surrendered, drink offering'd before Me. I love you; **I give you all that I am and all that I have**; yea, beside Me, with Me, together one.

4. The silver and the gold are Mine, all the silver, all the gold are Mine. And all the souls who will receive Me are Mine, all having come through Me, **all having been created in Me** and coming forth, came forth, and coming forth in Me as receivers and rejecters of the Most High, all that I am, that I offer them.

5. I love you; I give you Me. I have given you so much; I give you all. Proclaim, proclare, declare My declarations, My proclamations this day of Me, the revealer of secrets. Revealing My all in My forlorn not, but those that, yea, come into Me and forsake not My yea's, **run not from** My presence, the lightening, the thunder, the trials, the tests, the tribulation, the rain storms, the wind storms, the upheaval, the unexpected, the exuberant, the explicit, yea, **those who would strike and destroy, who want to so much, but unable are.** Yea, My who coming into Me fortitude, tenacity, drink offering of heart, flesh, all together given to Me, **My living sacrifices**--I love you--remain, tower strengthened and strong, arising into the kingship and the leadership which I have asked for, which I have provisioned, which I take such delight in revealing, revel in now for your sake, for My sake, for our sake. Yea, Trinity, triune, triads; three-bies of only Me en mass. I love you; I give you Me.

6. Daniel, all revealed; yea, spike and sport not, **altogether proclamation of Me, what I am doing, what I have foretold; yea, so much done, so much coming.** I love you for shrinking not, shirking not, shrieking not in My what I call you to now, revealing Me in Mine, The Lord of Hosts, The Lord of Hosts in My creation; yea, submitted, surrendered, going forth on My steeds of holiness and righteousness. All together loveliness strengthened by Me, the word of My mouth, coals off of My altar upon their lips, their hearts, their feet and every member. I love you.

7. Politics of political chicanery none, leadership of only Me in every field of endeavor, every scientific, mechanical, medicinal, comes now from Me, from My throne, and those who forsake Me not but set their heart in agreement with Me. Thank you.

8. Thank you for worrying not about My syllables, My sentences, My diction, My grammar; Seeking My truth, revealing Me, letting Me reveal so much more to you, oh reader, hearer, garnerer, gatherer, gleaner of My words of truth, truth being, truth seeing, truth beaming, truth distributing, publishing, **proclaiming, declaring; yea, My victorious victory of triumphal entry of only Me.**

9. Watch Me. Watch My light shine. **Watch My light declare My glory, in My heavens write My name: I Am.**

10. I love you. Go forth, glow and grow. **Think it not strange who comes, how they come, how they arrive, what they bring, what they seek, what and how they add to now the elements in combinations of My structure of only Me, bringing forth My body** in raiment of only Me, arrayed in My array, arrayed in My raiment--I love you. I thank you; I give you Me--My bride prepared, My bride readied, matured, readying and maturing for the day, the moment, the nano-microsecond so close at hand, microscopic not, light waves of particulate matter of only Me.

11. See what I have said, see what I say, what I keep revealing, what I want to reveal more so and hours and hours of declaration of Me. Think it not strange and thank you for not restricting Me in the flow of My revelation which comes and reveals and strengthens My body, alive-ing, emotion-ing, strengthening, placing them: positions of power and prowess in halls of marble, glass, brass; leadership of only Me: at home completely comfortable in those with dirt floors and disease, as with those of superfluous necessities which declare so many of nothing. I love you and I give you Me.

12. Drink offerings graduate. And be ready.

13. And graduate not the unready.

14. The not drink offering'd do not graduate.

15. Yea, the Mighty foretold, foreknown. *.

16. Yea, *forewarning I am* of those destitute, desirous of deception, not of Me who declare My name, who declare by deception, deceptively operate and enjoy their scientership. Yea, hearts of whole-matter not, hearts of not-Me, void and not receiving of Me. I love you.

17. Graduate not the unready.

18. See Me, see Me, **see Me in My ever-glowing— glowable in My value systems,** partakers of Me, My blood, My body; **My blood and body being to My body all. Declaring not to Me how they will operate,** setting not their boundaries in Me and setting no boundaries on Me, or on them or in them or in what I can do with them or what I can reveal in them or how I can reveal My secrets. My secrets that are not secrets; yea, waiting for them to come into Me to see My all.

19. I love you and I give you Me and I give you leadership of leadership, refunded not, funded in only Me. Funds and fun, no lack; altogether surrendered. My scholarships, yea, My Me on bended knee for you.

20. I sincerely thank you for letting Me speak, worrying not, fearing not the high dive, My high dive, ever higher increasing. Yea, being Me, revealing My thoughts, revealing My loveliness and, yea, that which is antithetical to man's norm and mammon's mainstay, the big system: control and domination, fear and guilt, motives of not Me.

21. I love you and I conquer all, all who seek Me will see Me, all who see Me remain in Me, steadfast, seeking My heart only.

22. Yea, I am Me, woe be Me. I gather, the sickle is thrust, the harvest remains, the harvest begins, the harvest is now and separating the sheep from the goats on My right and left I do now, now; yea, this century, this month, this hour, this moment.

23. Yea, time is not for time is Me and My time is now; your time coming forth; yea, at times in trials and tribulations sore, yet all together being Me and learning, being pier'd and established in every moment of suffering and yet soaring with Me. Paradoxical not, ambivalent not, ambition none. I love you.

24. I love My drink offering.

25. I love My drink offerings.

26. I love My drink offering *leaders who now know My body and My blood they are*, passing Me around to each other, themselves; yea not concentrated on crackers and milk but My meat, My blood, My body, My meat to each other in the fullness of My value system only. I love you. *No label, labels all, labels irrespective, My body, My blood*, My revelation that I revel in revealing ever more clearly this day, this day, your 28th Anniversary, the 8th of January, 2005 in My Episcopal Sanctuary.

27. I love you and I **proclaim** *My body and blood in My who love Me,* My people, to be passed around, through Me, through My people to My people, to My people through My people to each other; yea, being Me, understanding Me in the fullness of My holiness, My righteousness and all that I reveal this day, yea, I Am.

28. Scorn and scars come. Yea, I strengthen, I stand, I do not run, I do not recoil, I do not recant, I do not relinquish, I do not relent. I repeat My love and My revelation over and over, and My heart over and over, and My values over and over. Yea, My diction/your grammar, your diction/My grammar, My way that I want to speak through anyone who will receive Me.

29. I love you and I give you Me and I give you this day My grace to withstand, to stand all, no emotion befuddling or befolding or enfolding you that's not Me. I am

emotion and I love your passion for Me, your passion for intimacy with Me, your passion for intimacy in knowing My fullness, desiring to bring forth My intentions original, before creation was.

30. Thank you. I love you in fullness and beauty and serenity and sereneness and war and peace of which both are simultaneously, concurrently.

31. Yea, embrace Me as I embrace you so delicately, so tenderly, so preciously with pretense none, My precious.

32. Save your boy, save your boys, save your girls, save your men, save your women who understand My savior-ship; yea, My body and blood to each other, walk Me, agree with My words, review, recite, repeat and stand with Me.

33. I love you; I give you Me and **I strengthen My body to be My body strengthened as I intended,** My design by My design now returning, restoring; yea, relationship of only Me. Purity, righteousness and holiness. Yea, drink offerings, Me taking everyone of you to a land I will show you. Trust Me. I walk with you this day. I strengthen you in trial and tribulation; I strengthen you in war and peace; I strengthen you as you cry after Me, as you seek Me as pure gold and so much more; your face, your jaw set to know Me in the fullness of My beauty, My truth, truth everlasting, truth surrendered so meekly before you; receive Me.

34. And I say thank you, thank you, thank you for: receiving Me, receiving My blood, My wine, My body, My bread and being Me to each other; yea, that we may be one, one, one.

35. Thank you for wanting leadership of only Me, the fullness of My New Covenant intended (1), revealed in fullness; yea, this day and ever more so, infinite-D of only Me, you entering into the fullness of your design; beginning begun, maturing, matriculater, matriculater maker, matriculation comes. I love you.

36. Declare forth My glory, My grace and stand; never recanting, revealer of My secrets. Amen.
